Gerard Bermingham Joins Information Mosaic Americas

New York, August 29th, Information Mosaic, the trusted provider of advanced custody, asset and wealth management solutions to the investor services industry, announced today that Gerard Bermingham has joined Information Mosaic Americas as Vice President of Product Consulting.

Mr. Bermingham, who transferred from Information Mosaic's Dublin operations center, will be part of the Americas management team. Gerard first joined Information Mosaic in 2003 to head up their global sales support team. Prior to joining IM, he was deputy head of operations for Goodbody Stockbrokers Ireland's longest established stockbroking firm and a wholly owned subsidiary of AIB Capital Markets plc.

Ivar Eilertsen, Executive Director and Board Advisor of Information Mosaic, stated: "I am very excited about having Gerard as a part of the Americas leadership team. Over the years, he has built upon his experience as a leading practitioner in the industry to help improve operational efficiency, increased STP rates and reduce risk for many of IM's clients around the world. His established expertise and leadership will help accelerate IM's continued growth plans and continue to improve our world class customer service."

Mr. Bermingham stated, "With the growing number of clients in the US, the amount of opportunities, and the relationships we have established with partners and industry associations, this region is key to Information Mosaic's continued success. I am very pleased to have the confidence of senior management in taking on this new set of responsibilities."

About Information Mosaic

Information Mosaic is the trusted provider of advanced custody, asset management and wealth management solutions to the investor services industry. Information Mosaic's business professionals leverage decades of financial industry expertise and technical knowledge to deliver complex projects on time and within budget. Since inception, the company has utilized the most modern technology to develop solutions to run on a scalable, single platform. Today, Information Mosaic's supports clients from offices in Boston, Dublin, London, Luxembourg, New York, Singapore and Sydney. Currently, six of the top 10 global custodians deploy Information Mosaic solutions worldwide.
