

## **Information Mosaic Discusses Corporate Actions Risk at the CorpActions 2008 Conference in New York**

Dublin/New York, June 5, 2008. Kevin Cullen, Information Mosaic's Marketing Director, participates on the panel "Risk Management" at the CorpActions 2008 conference organized by the Securities Operations Forum in conjunction with SWIFT, today, June 5<sup>th</sup> in New York. The conference is attended by senior level operations and IT professionals throughout the financial industry and presents panels and presentations on best practices, standards and quality, new industry initiatives, risk management and market trends relating to global corporate actions processing.

The "Risk Management" panel will be moderated by Amy Harkins, Senior Vice President, The Bank of New York Mellon, and will discuss ways to identify, measure, and reduce operational and credit of risk associated with the processing of various types of corporate actions.
