

Information Mosaic Discusses Corporate Actions Automation at the Corporate Actions Process Conference in London

London/New York, April 17, 2008. At this year's Corporate Actions Processing Conference, organized by the Financial Technology Forum and held in London on April 17th, Information Mosaic's Marketing Director, Kevin Cullen, will participate on the panel, "Building A Business Case for Automating Corporate Actions." Other panellist include: Gaurav Rekhi, Managing Director, Scale Consulting Group, Max Cavelli, Vice President, Merrill Lynch; Adam Stern, Managing Director, IBACAS Consultancy Ltd moderated the panel. The panel will present an in-depth look at defining a compelling business case for a corporate actions automation project, including identifying key drivers for automation and managing project risk.

This is the first time that the Corporate Actions Processing Conference is held outside the US. Financial industry senior level executives throughout Europe will attend the Corporate Actions Processing Conference.
